STOCK NEWS

Wool News.

The Kerrville wool clip amounted to 600,000 pounds, all short wool, and was sold under sealed bids to Geo. Roope for the house of Geo. F. Millet & Co., Boston. The sale of the entire clip at this point will probably be made by June 10th and is now being inspected by buyers.

Sixty-six head of Tom Green county steers, averaging 1088 pounds, at \$4.85 per hundred pounds or \$52.70 per head, were sold in St. Louis last Wednesday by Broome & Farr, agents of the National Live Stock Commission Co. The cattle were four days on the road or probably would have sold at five cents.

Probably the last of the Territory shipments will be that of Jesse Cobb, who ships 150 head of cattle to Muskogee, I. T., this week.

Wool Buyers Here.

A. W. Littlehale, Caldwell Palmer, Geo. Roope, Allan C. Emery, Geo. R. Toplin, Walter C. Donald, Walter Marston, all of Boston; James McGuire, of New York, and Mr. Way, representing T. H. They are the representatives of leading wool houses in the United States, showing that this wool clip is well known and in demand.

Driven to Desperation.

Living at an out of the way place, remote from civilization, a family is often driven to desperation in case of accident, resulting in burns, cuts, wounds, ulcers, etc. Lay in a supply of Bucklen's Arnica Salve. It's the best on earth. 25c, at J. W. Harris' drug store.

Right Drugs

and Right Service

The element that counts most in the drug business is reliability. Customers should be able to go to a drug store with utmost assurance that their interests be protected in every way.

It is needless, we think, to say that every element of reliability is provided by this store.

The extent and quality of our trade and the obvious confidence reposed in us by the public, is evidence that we have always given superior service.

We Want to be your Family Druggists.
